# Welcome to Yering Station

Considered a jewel of the region, Yering Station marks the birthplace of the Yarra Valley with history spanning two centuries. It was on our estate that the very first vines were planted in the state of Victoria.

Throughout our estate, you are consistently met with remarkable history balanced by timeless, modern-day architecture.

Arriving at Yering Station, guests are greeted with the sight of our magnificent avenue of Elm trees, planted in the mid-1850's as a wedding gift to the then-founder's bride. Through the Michael McCoy designed gardens, guests make their way to your chosen ceremony location. Following the ceremony, guests proceed to the grand terrace to enjoy drinks and canapes as you make your way around the estate for photography. Dinner is then served in the superb architecture of our signature restaurant.
